*Attending OMCA Marketplace 2025 was an incredible experience! As a tour operator, we found the event exceptionally well-organized and full of valuable opportunities to connect with quality suppliers from across Ontario and beyond. The pre-scheduled appointments made it easy to have meaningful, productive conversations, and the atmosphere was both professional and welcoming. The networking events and educational sessions added even more value, helping me discover new products and strengthen partnerships. OMCA Marketplace continues to be one of the most efficient and rewarding industry events we plan to attend each year!*
